

Project D.I.R.T.

Developing Interests in Risk Taking (D.I.R.T.) offers people of all abilities the opportunity to explore new recreation and leisure possibilities through alternative recreation and outdoor adventure experiences. In the Summer and Fall months we offer over night tent camps to Mt. Charleston, Valley of Fire, and Lake Mead. We also offer a once a year trip in July, to the Great Basin in Northern Nevada for camping and a visit to the Lehman Caves. How about a hiking trip to see some of the great wonders of the Mojave Desert, such as Nelson's Landing for the mine tour, Lake Mead for the Dam Tour with boat ride? Please call 229-4796 for more details.

Hiking at Valley of Fire
